ABOUT ME

Hi, I've been learning Web Development (Frontend Primarily) as a Self-Taught for 2-3 years, an Internet-made Coder/Developer. I learned this using internet resources, and I have tried some projects independently. My interest and passion in tech always brought me back into it.

PROJECTS

Personal Portfolio   [Website](#) • [Code](#)

- Responsive Landing page
- Tables, and Form elements with MySQL and Php connection

Personal Blog   [Website](#) • [Code](#)

- Minimal UI, CSS Grid Styling, Hobby project
